# 'Brands of Bengal 2025' awarded by TV9 Bangla

We are proud to have received the prestigious 'Brands of Bengal 2025' Award by TV9 Bangla. The august event was attended by our Founder & Managing Director Mr. Basiruddin Shaikh and the proud team member of PICE Educare family.

## FROM THE FOUNDER'S DESK

Dear Future Professionals,

At every defining moment in a student's life, there comes a choice — **not just of a course, but of a legacy.**

Today, that choice is more complex than ever.

With an expanding landscape of academic crossroads and rising global competition, students and parents are often met with a challenging mix of information and uncertainty. In such an environment, the greatest luxury is not just having options, but having the clarity to choose the right one.

At **Pice Educare**, we have built our foundation on providing that clarity.

For years, we have guided students across a wide spectrum of professional courses — whether in emerging career-oriented fields or medical sciences, our mission remains the same: to turn ambition into achievement. Among these pathways, the pursuit of MBBS remains one of the most aspirational journeys a student can take. It is a path that demands more than just merit—it requires precise, expert, and timely strategy.

Our role, therefore, goes beyond guidance.

We act as your **strategic partner** — transforming complexity into clarity, and enabling confident, transparent decisions aligned with every student's long-term goals.

For students, this is a step towards ambition and identity.

For parents, it is an investment in security, stability, and a meaningful future. And we recognise the responsibility that comes with both.

This prospectus has been thoughtfully designed to present not just possibilities, but perspective — enabling you to explore pathways with a clear understanding of what lies ahead.

And that choice makes all the difference.

**Wishing you clarity in your decisions and confidence in your journey ahead.**

Warm regards,

Mr. Basiruddin Shaikh  
Founder & Managing Director

## MISSION:

- ➔ We provide integrated assistance, from clearing the examination to obtaining a college seat and support post admission too.
- ➔ Our objective is to empower individuals to obtain fulfilling careers that align with their passion, skills, and desire to serve the society.
- ➔ We are here to amend the mistakes made by the candidates during their admission or selecting a career with a promising future.

## VISION:

- ✓ To be the leading force in empowering a generation of exceptional healthcare professionals.
- ✓ Prepare a customized solution to attain admission objectives according to the candidates' grades and desires.
- ✓ We, at Pice Educare, deliver a realistic approach and never misguide or mislead about financial expenditure.

# OUR GOAL

We support medical aspirants and expand their knowledge of medical courses offered by universities in India and Abroad.

Our primary focus is to inspire and enhance the growth and development of students pursuing a career in the medical sector.

Our experienced MBBS admissions expert team have a comprehensive perspective and more than a decade of experience guiding students to select top-tier medical universities in India, Bangladesh, Nepal, Russia, Kyrgyzstan, Kazakhstan, Georgia, Uzbekistan and many more Countries.

Additionally, we cater to students who couldn't clear the NEET exam or second low score in NEET by providing enriching opportunities in alternative medical field.

As leaders in career guidance and education consultancy, we assist aspiring MBBS students. Studying MBBS India & abroad offers students global exposure and fosters their overall social and personal development.

## KEY TO SUCCESS

The healthcare sector is expanding rapidly, creating many opportunities for students who dream of becoming Doctors. However, getting admission into medical courses is highly competitive. Every year, lakhs of students appear for the NEET (National Eligibility cum Entrance Test), a national-level entrance exam conducted by the National Testing Agency (NTA) for admission to medical courses across India. In 2025, more than 23 lakh students registered for NEET, making it one of the toughest entrance examinations in the country.

The chart below highlights the current number of medical and dental colleges and seats available in India.

Number of Govt MBBS Colleges	455
Total Govt MBBS Seats	63,683
Number of Private MBBS Colleges	364
Total Private MBBS Seats	65,343
Number of Govt Dental Colleges	60
Total Govt Dental Seats	4,046
Number of Private Dental Colleges	267
Total Private Dental Seats	23,820

(As Per Academic Year 2025) (website <https://www.nmc.org.in/>)

These numbers show the reality of medical admissions—competition is high, especially for government seats. Many students miss opportunities simply due to a lack of proper guidance and awareness about different admission pathways.

Pice Educare Private Limited works as a trusted guide for medical aspirants, helping them understand the admission system and make informed career decisions. Through expert counselling and structured support, we help students choose the right options and plan a successful medical career.

This prospectus is written in a simple question-answer format to explain important topics like courses, eligibility, admission process, cut-offs, counselling, reservations, and other medical career options. Begin your journey today toward a successful career in medicine and the noble mission of saving lives.

## OUR SERVICES

- 01 Free Offline/Online Career Counseling

- 14 FMGE/NExT Exam Preparation Assistance
- 15 Selecting Medical colleges based on individual NEET UG rank and budget preferences

## THE ROLE OF PICE EDUCARE

The experienced education counsellors of Pice Educare prepare a clear counselling plan after a detailed discussion with the students & parents, based on the candidate's NEET UG 2026 rank and budget.

This approach allows us to apply to all possible and suitable medical colleges where the candidate has realistic chances of admission.

Candidates are guided to keep all required documents ready well before counselling to avoid last-minute rejection or delays.

Counselling fees and security deposits vary from state to state and quota to quota.

Therefore, we apply strategically, keeping track of:

- ✔ Refund rules
- ✔ Forfeiture conditions
- ✔ Exit and upgrade policies so that unnecessary financial loss is avoided.

Choice filling is done very carefully, as one wrong choice or order can lead to:

- ✔ Exit from further counselling rounds
- ✔ Forfeiture of security deposit

After Round 1 allotment:

- ✔ If the candidate is satisfied, we assist with admission formalities.
- ✔ If the candidate is not satisfied, we guide them through the upgrade process, following counselling rules, to aim for a better college without risking eligibility.

If the candidate does not get the desired medical college in the first round, Pice Educare helps in securing a better medical college through:

- ✔ Proper upgrade planning
- ✔ Participation in further counselling rounds
- ✔ Correct counselling decisions

# INDIA

# MEDICAL COURSES IN INDIA

India is one of the most popular countries for medical education. Every year, thousands of students choose medical courses in India because of the strong education system, experienced teachers, and good hospital training. Medical colleges in India provide both classroom learning and practical experience in hospitals.

## Popular Medical Courses in India

### **MBBS** – Bachelor of Medicine and Bachelor of Surgery

MBBS is the main course for students who want to become doctors in modern medicine. The course duration is 5.5 years, including 4.5 years of study and 1 year of internship in a hospital.

### **BDS** – Bachelor of Dental Surgery

BDS is the course for students who want to become dentists. It focuses on oral health, dental treatment, and surgery. The duration of this course is 5 years including internship.

### **BAMS** – Bachelor of Ayurvedic Medicine and Surgery

BAMS is based on Ayurveda, the traditional Indian system of medicine. Students learn about herbal medicines, natural treatments, and holistic healthcare. The course duration is 5.5 years including internship.

### **BHMS** – Bachelor of Homeopathic Medicine and Surgery

BHMS is based on the homeopathy system of medicine, which focuses on natural healing methods. Students study homeopathic medicines and treatment methods. The course duration is 5.5 years including internship.

## BENEFITS:

- ✓ Recognized and trusted medical education system
- ✓ Good practical training in hospitals
- ✓ Opportunity to learn from a large number of patient cases
- ✓ Many medical colleges and career options

## ABOUT NEET UG EXAMINATION

Admission to undergraduate medical courses in India is through National Eligibility cum Entrance Test (NEET UG), conducted by the National Testing Agency (NTA) as per the guidelines of the National Medical Commission (NMC). The exam includes Physics, Chemistry, and Biology (Botany & Zoology) with 180 multiple-choice questions to be completed in 180 minutes. Each correct answer carries +4 marks, while -1 mark is deducted for each incorrect answer. The total score is 720 marks, and NEET qualification is required for admission to medical courses across India.

Subject	Type of Questions	Duration	Number of Questions	Marks
Physics	MCQ (Multiple Choice Questions) with four options and single correct answer/best option.	02:00 PM to 05:00 PM	45	180
Chemistry			45	180
Biology (Botany & Zoology)			90	360
Total			180	720

# WEST BENGAL

Note: This map highlights major medical colleges; many more exist across West Bengal.

# MEDICAL EDUCATION IN WEST BENGAL

West Bengal has a long and proud history in medical education. The state has some of the oldest and most respected medical colleges in India.

## First & Oldest Medical College

Medical College Kolkata, started in 1835, is the first medical college in West Bengal as well as India and one of the oldest in Asia to teach modern medicine. Even today, it is one of the most respected government medical colleges in the country.

## Oldest Government Medical Colleges in West Bengal

Some of the oldest government medical colleges in the state are:

Medical College Kolkata (1835)

Nil Ratan Sircar Medical College, Kolkata (1873)

RG Kar Medical College & Hospital, Kolkata (1886)

## Oldest Private Medical Colleges

In the last few years, private medical colleges have also started in West Bengal. KPC Medical College & Hospital (2006), Jadavpur is one of the early private medical colleges in the state. Other well-known private colleges include IQ City Medical College (2013) Durgapur, ICARE Institute of Medical Sciences and Research (2011) Haldia, and Jagannath Gupta Institute of Medical Sciences (2016) Budge Budge.

## Benefits for West Bengal Domicile Students

### State Quota in Government Medical Colleges

- ▶ Students who have West Bengal domicile get important benefits in MBBS admission.
- ▶ 85% seats in government medical colleges are reserved for state quota students.
- ▶ Students get the chance to study in large government hospitals with many patients, which helps in better practical learning.

### State Quota Benefits in Private Medical Colleges

- ▶ Students who have West Bengal domicile also get benefits in private medical colleges.
- ▶ 33% seats in private medical colleges are reserved for state quota students.
- ▶ The tuition fees for state quota seats are much lower compared to Management Quota (MQ) seats in private medical colleges.

### Management Quota Benefits in Private Colleges

- ▶ Private medical colleges have Management Quota (MQ) seats for students who qualify NEET. These seats help students who cannot get a government seat but still want to study MBBS in West Bengal.
- ▶ These seats are open to students from all states across India.
- ▶ State students may also find it easier because they can stay closer to home and their living costs are lower.

### Patient Flow & Clinical Exposure

Medical colleges in West Bengal have many patients visiting hospitals every day. This helps MBBS students get good practical experience and learn from real medical cases during their studies.

### National Recognition

Many medical colleges in West Bengal are well known across India for their quality education and hospitals. Colleges like Medical College Kolkata, IPGMER (SSKM Hospital), and Nil Ratan Sircar Medical College are respected institutions and attract students from many parts of India.

# FAQs ON MEDICAL COLLEGE ADMISSION PROCESS

## 1. What is NEET (UG)?

NEET (UG) is the National Eligibility cum Entrance Test for students who want to study medical courses like MBBS, BDS, and AYUSH. Since 2019, the National Testing Agency (NTA) has been conducting this exam, under the approval of the Ministry of Health and Family Welfare and the Ministry of Education, based on directions from the Supreme Court of India.

## 2. In which languages was NEET (UG) 2026 held?

NEET (UG) 2026 was conducted in 13 languages:

- Assamese
- Bengali
- English
- Gujarati
- Hindi
- Kannada
- Malayalam
- Marathi
- Odia
- Punjabi
- Tamil
- Telugu
- Urdu

## 3. How many students qualified for NEET (UG) 2025?

About 12.36 lakh students qualified for the NEET (UG) 2025 exam.

## 4. Could students check their OMR Answer Sheet?

Yes, students were allowed to view their scanned OMR answer sheets.

Additionally, a scanned copy of their answer sheet was also sent to their registered email address for their reference.

## 5. How can I stay updated about NEET (UG) 2026?

To stay informed about any important updates, regularly check the official NTA websites:

- [www.nta.ac.in](http://www.nta.ac.in)
- <https://exams.nta.ac.in/NEET/>

These sites will have the latest announcements and information about the NEET exam.

## 6. How can I use the registration and choice filling form on the website?

To register and fill in your choices, visit [www.mcc.nic.in](http://www.mcc.nic.in). Before you start, carefully read the counseling scheme. It's a good idea to check the list of available seats and make a rough list of your preferred colleges first. This will help you while filling in your choices online. Also, make sure to read the user manual thoroughly before registering.

## 7. When and how do I need to make the payment?

Once you complete the registration, the payment page will open automatically. You can pay online using Net Banking, a credit card, or a debit card. Only after making a successful payment will you be able to proceed with choice filling.

## 8. Is there a limit on the number of colleges and courses I can select during choice filling?

No, you can select as many options as you want while filling in your choices. However, make sure to arrange them in order of your preference. A common system is used for AIQ, Deemed & Central Universities, B.Sc. Nursing, AIIMS, JIPMER, AMU, and BHU to fill in the choices.

## FAQs ON MEDICAL COLLEGE ADMISSION PROCESS

### 9. Do I need to fill and lock my choices to get a seat, or will I be allotted one automatically from the leftover seats?

Yes, you must fill in and lock your choices after completing online registration (registration is compulsory if you want to participate in the allotment process). You must do this during the specified registration period before Round 1.

#### Here's how it works:

After registering, you must fill in your preferred institutions, colleges, and courses in the order of your choice. You can modify your choices before locking them.

During the "choice-locking" period, you must lock your choices to get a printout of your final list.

If you don't lock your choices, they will be automatically locked as per the schedule.

Please note that if you don't register and fill in your choices during the registration period, you won't be allotted any seats. Also, the MCC registration opens before Round 1, before Round 2, before Round 3, and before the Stray Vacancy Round.

### 10. Do I have to join the allotted Medical/Dental College in Round 1 to participate in Round 2?

No, you don't need to join or report to the college allotted in Round 1 because there is a free exit option.

However, if you want to keep your Round 1 seat and still try for an upgraded seat in Round 2, you must physically join the allotted college and submit your willingness for upgradation during the admission process.

### 11. If I don't report to the allotted college in Round 2, will I need to register again for Round 3?

Yes, if you don't report to the allotted college in Round 2, your security deposit will be forfeited. You can still participate in Round 3, but you'll need to register again and make a fresh payment.

### 12. Who is eligible for Round 2 seat allotment?

You can participate in Round 2 if you fall into any of these categories:

- **Group I:** Registered candidates who didn't get any seats in Round 1.
- **Group II:** Candidates who got a seat in Round 1 but had their seat canceled during document verification due to a change in category. They can still be considered for Round 2 based on the availability of seats in their updated category.
- **Group III:** Candidates who joined the allotted institute in Round 1 and opted for upgradation to Round 2.
- **Group IV:** Candidates who were allotted a seat in Round 1 but didn't join.
- **Group V:** Candidates who resigned online from their Round 1 seat within the given period.

### 13. Who is not eligible for Round 3 seat allotment?

The following candidates are not eligible for Round 3:

- (a) Candidates who don't meet the eligibility criteria due to incomplete or invalid documents.
- (b) Candidates who didn't register for Round 1, Round 2, or Round 3.

### 14. Can I leave or resign after joining the Third Round of AIQ/Deemed/Central/AIIMS/JIPMER/Nursing Counseling?

No, once you join the seat allotted in Round 3, you can't leave or resign from it. However, if you get a seat in Round 3 but don't join the allotted college/institute, you can exit by forfeiting your security deposit, but you won't be eligible for further rounds.

# MD

Postgraduate medical education in broad specialties shall be of three years duration in the case of degree courses and two years in the case of diploma courses after MBBS. For super specialty courses, the duration shall be three years after MD/MS, with exceptions wherever regulatory authorities indicate. In West Bengal, several private medical colleges such as KPC Medical College & Hospital, IQ City Medical College, Jagannath Gupta Institute of Medical Sciences, ICARE Institute of Medical Sciences, and Gouri Devi Medical College offer a wide range of MD and MS courses.

## Doctor of Medicine

In MD, students can specialize in broad disciplines like MD Radiology, MD Dermatology, MD General Medicine, MD Pediatrics, and MD Psychiatry. Admission to these programs is through NEET-PG and conducted via centralized counseling. These private medical colleges are known for providing structured academic learning, patient exposure, and research opportunities, helping students become competent specialists in their respective fields.

# MS

Pursuing an MS (Master of Surgery) in India is a prestigious and structured path for medical graduates who have completed their MBBS and wish to specialize in surgical fields. The postgraduate medical education in broad specialties, such as MS, is typically three years duration for a degree course and two years for a diploma course after MBBS. For super-specialty courses, the duration is three years after completing MD/MS, with certain exceptions as specified by regulatory authorities, MS courses in India cover various key departments; each focusing on a specific area of surgical expertise. These include MS in Obstetrics and Gynaecology (OBG), which focuses on women's reproductive health and childbirth; MS in Orthopedics, which deals with the musculoskeletal system; MS in General Surgery, offering comprehensive training in surgical procedures across various systems; MS in ENT (Ear, Nose and Throat), also known as Otorhinolaryngology, specializing in head and neck surgeries; and MS in Ophthalmology, focusing on diseases and surgery of the eye. These programs are designed to equip doctors with in-depth clinical knowledge, surgical skills, and hands-on experience essential for advanced medical practice.

## Master of Surgery

# MDS

MDS (Master of Dental Surgery) is a three-year postgraduate program pursued after completing BDS, aimed at providing advanced knowledge and clinical expertise in various dental specialties. In India, the course is offered across recognized dental colleges with subject-wise intake capacities regulated by the Dental Council of India. The MDS program includes several departments such as Prosthodontics and Crown & Bridge, which focuses on dental prosthetics and oral rehabilitation; Oral and Maxillofacial Surgery, dealing with surgical treatment of facial trauma and oral diseases; Oral Medicine & Radiology, emphasizing the diagnosis and medical management of oral conditions; Conservative Dentistry & Endodontics, which focuses on tooth preservation and root canal treatment; Orthodontics & Dentofacial Orthopedics, specializing in correction of misaligned teeth and jaws; Periodontics, dealing with gum diseases and supporting structures of teeth; and Pedodontics & Preventive Dentistry, dedicated to dental care in children and preventive oral healthcare practices. This structured program not only enhances clinical proficiency but also prepares students for academic, research, and specialist roles in dentistry.

# ENGINEERING

## COURSES IN INDIA

A Gateway to a Future-Ready Career Engineering remains one of the most popular and respected career choices in India, offering endless opportunities in technology, infrastructure, research, and innovation. With the rapid development of modern industries and technologies, the demand for skilled engineers continues to grow. At Pice Educare, we assist aspiring engineers in navigating the complex admission process to secure seats in India's top engineering colleges and universities.

Our engineering guidance covers various specializations, helping students choose a discipline that aligns with their interests, aptitudes, and career aspirations. Below are some of the most sought-after engineering courses we guide students for:

## Popular Engineering Specializations

### Computer Science and Engineering (CSE)

**Overview:** A blend of computer programming, software development, artificial intelligence (AI), machine learning (ML), and data science. This course prepares students for the ever-evolving world of technology.

**Career Opportunities:** Software Developer, Data Scientist, AI Engineer, Cybersecurity Specialist, and Cloud Architect.

**Career Opportunities:** Software Developer, Data Scientist, AI Engineer, Cybersecurity Specialist, and Cloud Architect.

**Overview:** One of the oldest and broadest engineering branches, focusing on the design, development, and manufacturing of mechanical systems, engines, and machines.

**Career Opportunities:** Mechanical Design Engineer, Automotive Engineer, Aerospace Engineer, Robotics Specialist, and Production Engineer.

### CIVIL ENGINEERING

**Overview:** This branch deals with planning, designing, constructing, and maintaining infrastructure projects such as buildings, roads, bridges, dams, and highways.

**Career Opportunities:** Civil Engineer, Structural Engineer, Urban Planner, Construction Manager, and Environmental Engineer.

### ELECTRICAL AND ELECTRONICS ENGINEERING (EEE)

**Overview:** This course covers the study of electrical systems, power generation, transmission, and the design of electronic circuits and devices.

**Career Opportunities:** Electrical Engineer, Power Systems Engineer, Embedded Systems Engineer, and Control Systems Engineer.

### ELECTRONICS AND COMMUNICATION ENGINEERING (ECE)

**Overview:** This specialization focuses on electronic devices, circuits, communication technologies, and digital systems, including telecommunications.

**Career Opportunities:** Electronics Engineer, Telecom Engineer, VLSI Design Engineer, and IoT Specialist.

### We also cover courses like

Management

Pharmacy

Nursing

Paramedical

Agriculture

and many more.

## Top Private Engineering Colleges in India

- ✓ BITS Pilani (Birla Institute of Technology and Science), Rajasthan
- ✓ VIT Vellore (Vellore Institute of Technology), Tamil Nadu
- ✓ Manipal Institute of Technology (MAHE), Karnataka
- ✓ SRM Institute of Science and Technology, Chennai
- ✓ Thapar Institute of Engineering & Technology, Patiala
- ✓ Koneru Lakshmaiah Education Foundation (KL University), Guntur
- ✓ Siksha 'O' Anusandhan (SOA), Bhubaneswar
- ✓ RV College of Engineering (RVCE), Bangalore
- ✓ Chandigarh University, Mohali
- ✓ PES University, Bangalore

## Top Private Engineering Colleges in Kolkata

- ✓ Heritage Institute of Technology (HIT), Chowbaga
- ✓ Techno India University, Salt Lake
- ✓ Netaji Subhash Engineering College (NSEC), Garia
- ✓ University of Engineering & Management (UEM), Kolkata
- ✓ BP Poddar Institute of Management & Technology, Park Street

LIVE YOUR DREAM OF STUDYING MBBS ABROAD

Secure Admission in Top Medical Colleges in Countries Abroad

# BANGLADESH

NATIONAL MARTYRS' MEMORIAL, SAVAR

# WELCOME TO BANGLADESH

Bangladesh is a nation with a rich history and culture. It's the world's eighth most populous country. Bangladesh is a land of rivers, with the Ganges, Brahmaputra, and Meghna rivers and their tributaries creating a vast network of waterways across the country.

Capital and largest City: **Dhaka**

Currency : **Taka**

Country Code: **+880**

Office Language : **Bengali**

Religion: **Islam**

Medical education in Bangladesh has undergone significant transformation over the years, adapting to changing needs and advancements in the field of medicine. The integration of information technology and e-learning platforms has been encouraged to enhance medical teaching and learning methods.

The medical colleges of Bangladesh have received recognition from the World Health Organization (WHO) and the National Medical Commission (NMC) and are affiliated with the Bangladesh Medical and Dental Clinic (BMDC). The course duration for MBBS in Medical Colleges of Bangladesh consists of five years followed by an internship program of one year.

The Medical Colleges in Bangladesh offer an extensive medical journey, advanced research methods and empathetic patient care. The medical colleges also provide industry-led experts and highly developed facilities that not only encourage the students but also make them one of the top hospitals in Bangladesh.

Take MBBS Admission in  
**BANGLADESH**

### NMC & WHO Approved Colleges:

We provide admission guidance to reputed NMC and WHO-approved medical colleges in Bangladesh, ensuring quality education for serious and dedicated students.

### Recognized by Bangladesh Medical & Dental Council:

When choosing a medical college in Bangladesh, it is important to check whether the college is listed in renowned university and recognized by Bangladesh Medical & Dental Council (BMDC) or not. After all, validation comes with recognition.

### Low Tuition Fees and Living Costs:

When choosing a medical college in Bangladesh, it is important to check whether the college is listed in renowned university and recognized by Bangladesh Medical & Dental Council (BMDC) or not. After all, validation comes with recognition.

### Medium of Instruction is English:

In many countries, the medium of studying MBBS is not English or the student needs to prepare a paper in a regional language. But in Bangladesh, the medium of studying MBBS is English and no need to learn any 3rd language.

### Degrees are Internationally Valid & Accepted:

One of the best reasons for studying abroad is to get an internationally accepted degree like USMLE (USA) & PLAB(UK). Studying MBBS in Bangladesh can offer you the opportunity of enjoying such a facility.

### No Entrance Exam:

Qualifying NEET is sufficient for studying MBBS in Bangladesh. Unlike any other country, the NMC & WHO-approved colleges and universities of Bangladesh don't ask foreign students to sit for any other entrance exam except NEET.

### Close Proximity to India:

The decision of leaving home is tough whether the reason is professional or personal. In such a scenario, everybody would like to stay as close to their homeland. When you can study MBBS in the neighboring country Bangladesh, why go far away?

## ELIGIBILITY CRITERIA FOR MBBS IN BANGLADESH 2026-27

- ✓ NEET Qualification is Mandatory
- ✓ The students must have studied Physics, Chemistry & Biology as core subjects
- ✓ The candidates must have a GPA of 7 out of 10
- ✓ GPA in Biology must be 3.5 (60%)
- ✓ The students must be at least 17 years old
- ✓ Year of passing Class 10 should not be before 2023
- ✓ Year of passing Class 12 should not be before 2025
- ✓ Minimum 40% in all subject

# NEPAL

## WELCOME TO NEPAL

Nepal is a landlocked country located in South Asia. It is situated along the Himalayas and shares a border with India to the east, west, and south direction. With an area of 147,181 square kilometers, Nepal is a relatively small country but highly diverse in its geography, culture, and ethnicity.

Capital and largest City: **Kathmandu**

Currency : **Nepalese Rupee**

Country Code: **+977**

Office Language : **Nepali**

Religion: **Hindu**

Nepal has a subsequent long history of medical education. In 1978, Tribhuvan University, the oldest and largest of Nepal's universities, started the country's first medical degree program to help meet the demand for doctors. Medical colleges in Nepal are recognized and approved by the WHO & NMC (National Medical Commission), making the medical colleges trustworthy and reliable for Indian students.

The medical colleges of Nepal offer the Bachelor of Medicine and Bachelor of Surgery (MBBS), which is a five-and-a-half-year program, including one year of compulsory rotatory internship. Some colleges also offer postgraduate programs like MD (Doctor of Medicine), MS (Master of Surgery), and other super-specialty courses.

The medical curriculum in Nepal is structured similarly to India. It includes theoretical classes, practical sessions, and clinical rotations. The medical colleges in Nepal are known for excellence and quality education.

Take MBBS Admission in  
**NEPAL**

## THE NMC & WHO-APPROVED COLLEGES :

There are several best colleges we provide that are NMC and WHO - approved.

### SIMILARITY:

As in India, the syllabus, exam pattern, and books are the same. Indian students prefer MBBS admission in Nepal as they can continue with a familiar curriculum.

### FOOD CULTURE:

As many Indians are settled in Nepal there is a similarity in food culture. Most private medical colleges in Nepal serve Indian food at a low cost.

## DOCUMENTS REQUIRED FOR MBBS ADMISSION IN NEPAL

Here are the documents you must keep ready while you taking MBBS admission in Nepal:

- Marksheet of Class 10th and 12th
- Aadhaar Card/VoterCard/ Passport of Students and Their Parents
- NEET Score Card
- Passport Size Photographs

## ELIGIBILITY CRITERIA FOR STUDYING MBBS IN NEPAL

When you are about to fly anywhere for attending any type of course it's extremely important to check the eligibility criteria. So, check the MBBS Nepal eligibility criteria:

	SPECIFICATION
Qualification	Current year NEET Qualified is Mandatory
Score	Must Score 50% in Physics, Chemistry, & Biology as core subjects
Age	Must be 17 Years old
Category	The general category minimum NEET score will only be considered for admission

## MEDICAL COLLEGES UNDER KATHMANDU UNIVERSITY

## WHY STUDY MBBS IN KAZAKHSTAN ?

✓ Recognized Medical Universities

✓ English-Medium Programs

✓ Modern Infrastructure & Labs

✓ Good Clinical Exposure

✓ Safe & Peaceful Environment

✓ Indian Food Available

✓ Separate Hostel Facilities

✓ International Student Community

# STUDY UG & PG ABROAD

Your Global Journey Begins Here

Pice Educare turns ambitions into reality with access to 1,500+ top institutions worldwide. Choose from our 50,000+ programs across 30+ destinations, for the career of your dream. We simplify your journey at every step, from applications to seamless campus transitions.

## OUR CORE SERVICES

### ✔ Personalized Profiling:

We evaluate your academic history and financial parameters to identify the best countries and courses for your future.

### ✔ AI-Powered Course Search:

Our advanced AI scans 50,000+ courses instantly find the best-fit options based on your unique eligibility.

### ✔ Scholarship Identification:

We find colleges with scholarship facilities to help reduce your tuition costs and provide financial support.

### ✔ Expert SOP Assistance:

Professional guidance to help you write a compelling Statement of Purpose for your applications and visa.

### ✔ Direct University Liaison:

Gain direct access to university reps through our established partnerships. We work to fast-track evaluations for our students to ensure timely outcomes within optimal admission windows.

### ✔ Real-Time Tracking:

Stay updated with instant notifications on your application status.

### ✔ Financial Support:

End-to-end assistance with education loans, accommodation arrangements, GIC, and other financial aspects

### ✔ Visa Guidance:

Specialized guidance on global visa compliance and end-to-end support for your visa filing.

### ✔ Interview Prep:

We provide comprehensive guidance for university and visa credibility interviews (where required) to ensure you are fully prepared and confident.

### ✔ Accommodation Assistance:

We facilitate secure student housing through our network of trusted global partners, ensuring a safe and comfortable living environment.

### ✔ Pre & Post Departure Support:

Moving to a new country is an exciting yet intimidating milestone. We guide you through every detail of your transition, providing pre-departure briefings and airport drop-off facilities to ensure you're never alone from the moment you leave until you settle abroad.

# USA

## United States of America

### Benefits:

Studying in the USA offers access to top-quality education, diverse programs, and extensive research opportunities, while also providing a gateway to a global network of professionals and cultural experiences.

- ✔ **Academic Excellence:** Access to top-tier universities renowned globally.
- ✔ **Diverse Choices:** A wide range of academic programs and majors.
- ✔ **Research Hub:** Abundant research opportunities with state-of-the-art facilities.
- ✔ **Multiculturalism:** Exposure to a diverse environment fostering global perspectives.
- ✔ **Career Growth:** Pathways to professional networks through internships and industry connections.

Eligibility Criteria	
For UG (After Class 12)	For PG (After Graduation)
You must have completed Class 12 from CBSE, ICSE, or a recognized state board; many universities ask for at least 55–60%, with top universities preferring 70% or higher.	You must have a recognized bachelor's degree (usually 3-year or 4-year, depending on the university).
You must meet English-language requirements via IELTS / TOEFL / PTE, usually around IELTS 5.5–6.5 depending on course and university.	Most universities ask for at least 55–65% or 2.5–3.0 CGPA; top universities often prefer 70–75% or 3.3+ CGPA
You must apply with: Class 10 & 12 mark sheets, passport, SOP, LORs (if asked), and proof of funds for your UK student visa.	You need English-language proficiency (often IELTS 6.5–7.0 or equivalent TOEFL/PTE).

## Top 10 Universities of USA

- John Hopkins University
- Northeastern University
- University of Connecticut
- Arizona State University
- Drexel University

- University of California
- Case Western Reserve University
- Rutgers University
- Stevens Institute of Technology
- University of Maryland

# United Kingdom

## Benefits:

Studying in the UK offers access to prestigious universities, diverse academic programs, rich cultural experiences, and extensive research opportunities.

- ✓ **Prestigious Reputation:** Home to some of the world's oldest and most respected universities.
- ✓ **Specialized Programs:** A diverse range of academic disciplines and shortened, intensive degree durations.
- ✓ **World-Leading Research:** Facilities and faculty members at the forefront of global innovation.
- ✓ **Global Networking:** A gateway to international career opportunities through strong alumni and industry links.

Eligibility Criteria	
For UG (After Class 12)	For PG (After Graduation)
You must have completed Class 12 from CBSE, ICSE, or a recognized state board; many universities ask for at least 55–60%, with top universities preferring 70% or higher.	You must have a recognized bachelor's degree (usually 4-year; some universities accept 3-year with conditions).
You must meet English-language requirements via IELTS / TOEFL / PTE, usually around IELTS 6.0–6.5 (TOEFL 79–90) depending on the school.	You need English-language proficiency (often IELTS 6.5–7.0 or equivalent TOEFL/PTE). Many PG courses (especially MBA, MS) also require GRE or GMAT scores.
You must apply with: Class 10 & 12 mark sheets, passport, SOP, LORs (if asked), and later proof of funds for your F-1 student visa.	Most universities ask for at least 55–65% or 2.5–3.0 CGPA; top universities often prefer 70–75% or 3.3+ CGPA.

# CANADA

## Benefits:

Studying in Canada offers a high standard of education in one of the safest and most welcoming environments in the world.

- ✓ **Quality & Affordability:** High-quality education with degrees recognized worldwide, often at a lower cost than the USA or UK.
- ✓ **Work while Studying:** Opportunities to work part-time (up to 24 hours a week) to gain practical experience and support living costs.
- ✓ **Stay Back Options:** Excellent post-graduation work permits (PGWP) allowing graduates to stay for up to 3 years.
- ✓ **PR Pathways:** Clear and accessible pathways to permanent residency for skilled international graduates.
- ✓ **Multicultural Society:** A peaceful and inclusive environment that celebrates diversity and international student life.

Eligibility Criteria	
For UG (After Class 12)	For PG (After Graduation)
You must have completed Class 12 from CBSE, ICSE, or a recognized state board; many universities ask for at least 50–60%, with top universities preferring 70% or higher.	You need English-language proficiency (often IELTS 6.5–7.0 or equivalent TOEFL/PTE). Some universities may ask for GRE or GMAT for MBA/MS courses.
You must meet English-language requirements via IELTS / TOEFL / PTE, usually around IELTS 6.0–6.5.	You must have a recognized bachelor's degree (usually 3- or 4-year, depending on university).
You must apply with: Class 10 & 12 mark sheets, passport, SOP, LORs (if asked), and later proof of funds for your study-permit application.	Most universities ask for at least 55–65% or 2.5–3.0 CGPA; top universities often prefer 70–75% or 3.3+ CGPA.

University of British Columbia - Okanagan Campus

## Benefits:

Studying in Australia provides world-class education alongside an unmatched outdoor lifestyle and strong legal protections for students.

- ✔ **Program Diversity:** A wide selection of academic programs and fields of study available across 1,100+ institutions.
- ✔ **Multicultural Environment:** A vibrant, inclusive society offering rich cultural experiences and global networking.
- ✔ **Research & Innovation:** Extensive opportunities for advanced research in fields like STEM, health, and sustainability.
- ✔ **Practical Work Experience:** Possibility of gaining real-world experience through internships and generous post-study work visas (ranging from 2 to 6 years).
- ✔ **Student Protection:** Guaranteed quality and tuition security through the unique ESOS Act, ensuring international students' rights are always protected.

## MEET OUR GOVERNMENT REGISTERED DOCTORS

### DR. RAKESH GHOSH

Completed MBBS from Green Life Medical college, Bangladesh, and cleared FMGE on my first attempt. Currently, pursuing MS Ophthalmology from Ramakrishna Mission Seva Pratishthan Vivekananda Institute of Medical Sciences, Kolkata. Grateful to Pice Educare and Basiruddin Sir for the support.

### DR. GOLAMMURSHID KHAN

Thanks to Pice Educare and Basiruddin Sir for the valuable guidance and support. I successfully passed the FMGE exam on my first attempt after completing my MBBS from City Medical College, Bangladesh. Now, I proudly stand as a registered Doctor, grateful for the mentorship that paved my path to success. Hats off to Pice Educare!

### DR. REEFAT ISLAM

I have completed my MBBS and am currently pursuing a PG degree in Paediatrics from IQ City Medical College Hospital. I am grateful to Pice Educare and Basiruddin Sir for helping me achieve my dream.

### DR. SOUMIK GOLE

I completed my MBBS from Burdwan Medical College and Hospital and recently secured admission in MD Gynecology at KPC Medical College & Hospital. Grateful to Basir Sir and the entire Pice Educare team for their constant support and guidance.
