NANCHANG UNIVERSITY

Nanchang University is a major force in China's tertiary education. Accredited by the Ministry of Education as "211 Project Universities" jointly developed by Jiangxi Province & the Ministry of Education making it part of the elite club of 100 key universities of China. Nanchang University was founded in 1940. In August 2005 Nanchang University and Jiangxi Medical College implemented a merger and set up Medical school Nanchang University. After the merger Nanchang University has emerged even stronger & with a more complete basket of disciplines to offer.

It is one of the larger Universities and great care has been taken to equip and furnish the college in the most modern way possible. It has also established co-operation with universities, hospitals and research institutions of Japan, UK, USA, CANADA etc. More than 145 students from India, Pakistan & Bangladesh are studying medicine in Nanchang University.

Nanchang University has 10 hospitals and clinics. The representative ones are the NCU first and second hospitals, both among the best in Jiangxi province. The hospital has a faculty and staff of 1800 and 1600 beds.

Nanchang University is also enlisted with the Medical Council of India (MCI), WHO and IMED.

Post Graduate / MD / MS Program

It offers the entire gamut of medical subjects such as Clinical Medicine, Basic Medicine, Dentistry, Medical Imaging, Medical Laboratory, Anesthesiology, Nursing, Public Health & Preventive medicine, Pharmacology, Drug Marketing, Bio Medical Engineering, English for Medical Purposes, Laws for Medical Purposes.

Infrastructure

Teaching Hospitals | Clinical Schools | Libraries

MSNU is supported by 85 clinical teaching and practice bases. With its achievements in cutting edge medicine and research, the library offers an extensive range of services and a vast collection of resources across all formats from text books to online journals. The library is facilitated with a variety of electronic literature, database, and e-reading room.

Teaching Staff & Research

MSNU has 1145 full time teachers, of whom 600 are holding professorships, 25 are advisors of Doctors level programs, 310 are advisors of Masters level programs. With a long list of illustrious alumni, MSNU has links to some of the nations and worlds leading scientists among whom are Dr. David Ho, the pioneer of AIDS research, now the honorary DEAN of the school, Prof Wu Mengchao, member of the Academic Academy and specialist in hepatic diseases.

The MSNU has an admirable record in medical research. In the last 5 years, it undertook over 1021 research projects. To date there are 28 visiting professors from abroad and over a 1000 teaching and research staff working and studying in foreign countries. There are currently 276 Indian students on campus.
